FAX: 530-963-3419**

DECEMBER 16, 2007

To all Members

It has come to the attention, of the Board of Directors of Century Ranch Residents' Association that some corporations, registered with the Attorney General of California, are titled in such a manner as possibly confusing to some of our members.

The possible misleading corporation names are Century Ranch Inc., Century Ranch Water Co. and Century Ranch Community Association. These entities are not related in anyway with Century Ranch Residents' Association, Inc.

All Communication from your Board of Directors will be titled Century Ranch Residents' Association, Inc. This is the only business name, which we operate under.

Our water supply is managed by Colusa County Planning and Building under the business name of County Service Area # 1.

Any contact from the other three corporations should be reported to Century Ranch Residents' Association, Inc. business office at 530-963-3435.

Sincerely

**Alma Luschen President
Century Ranch Residents' Association, Inc.
For the Board of Directors.**
